

# WHAT IS STAR OF THE NORTH VIRTUAL?

NOW THAT WE ARE NAVIGATING TO A VIRTUAL MEETING,  
LEARN WHAT THE BENEFITS ARE FOR ATTENDING!

## Hi Kelcey!

**IT'S SHANNAN, FROM STAR OF THE NORTH VIRTUAL MEETING 2020.**

I'm going to be sending you a weekly email leading up to the Virtual Meeting so that you are fully prepared and in the know for all the excitement! First off, THANK YOU for remaining registered while we have transitioned to our virtual platform. If you're a new registrant, Welcome! We can't wait to see all of you, albeit virtually.

In this intro series of emails, I'm going to highlight the important key elements of our Virtual Meeting so you can easily understand the true value you're getting with the online program.

Stick around and you'll get the best virtual experience and program offered for dental professionals in 2020!

I'm excited for our virtual show because I get to participate like an attendee this year and learn from all the wonderful speakers we have lined up. I have a 6 month old at home so balancing family life with work life in the times of covid is really important to me. It's really helpful that I can now watch the classes when I want. Before being on the committee, I remember making hard choices about what class I would attend since there were usually a few I wanted to see at the same time. But now I don't have to choose because I can see it all. Also I know we put in a lot of hard work to find the best CE out there so it's nice that all that hard work didn't go to waste and our members can get the quality CE the Star of the North is known for.
